## 7. Rework by Jason Fried and DHH

Tells us how to reimagine work, breaking most notions that have been set by the world, fed by the world.

Possibly the most unique business book one will read!

Ankur Warikoo ✓

## 8. The Psychology of Money by Morgan Housel

Tells us that making money isn't as much about knowing how to, as it is about how you behave with money. Possibly the only money book one needs to read!

The key to life is not to read as many books as possible.

It is to re-read the books that served you well.

These 10 books have helped me from the day I first read them, to every year that I continue to pick them up.

A new book, a new meaning, a new view emerges each time!

There are 2 ways to learn from mistakes

1. Read books
2. Make them on your own
